Special Order

No. 31

Capt. W. L. Manusum, Co. D, Beache's Batt. will report with his company to be at this place by the 15th July. Every man on this post mounted will be sent through by rail. He will grant no furloughs at all. Obedience to this order is strictly enforced.

Capt. W. L. Manusum, Co. D, Beache's Batt.

Capt. W. L. Manusum, Rough & Ready, Ala.
Dear Doctor:

I have received letters of their respective dates from various officials regarding the men who have been injured, and as the only way I can reach them is by sea, it will be impossible, under existing circumstances, to give them the time to apply to the Commissioner that you desire. I shall go on to Richmond in a short time with the Rolls and I wish you to take a muster roll with the several copies of my authority and go to the hospitals at Griffin, Greensboro, Laurinburg, Madison, and have these disabled men as may be there examined enter their names on the roll and get their certificates. If the surgeons will let you remove the men from the hospital bring them on to this point. It is on the Marion R.R. You will send your muster roll to me at Newnan, Ga. by the 1st July. Such men as you wish for labor, enter their names on the Roll, as such (for they will be appointed by Secretary of War), and put them to work. Get competent men or they will be discharged. If I were in your place I would relieve some fifteen men without horses, if you
find it difficult to fit the minimum number (60). At times there may be some opportunity of mounting them after the organization of the batt. If you would succeed you would go to the Hospital and work— you can get the company in ten days easily if you work properly. So advertising is necessary. Go to Hospital

under his rules to report forthwith or he will be marked on "about without leave."

I send your camp address.

Write me at Huntsburg Station, (Freson & Cahata R.R.) Ala.

Very Respectfully,

CONFEDERATE STATES OF AMERICA,  
War Department,  
Adjutant and Inspector General’s Office,  
Richmond, Va., April 19th, 1864.

Sir:

Your letter of the 26th March, 1864, asking a renewal of the authority granted to you to raise a regiment of cavalry from soldiers, unable, by reason of wounds, to do duty in the field, has been received and considered.

I am directed by the Secretary of War to say that I now decline, at present, to renew the authority, because change now pending against you,

you are, however, allowed to organize a Battalion by sending forward the Rolls in proper form. Each Company must have at least sixty privates and the whole must contain a special description of each man transferred from other companies and evidence that the transfer is by certificate of a Medical Board.

Very Respectfully,

Your Ob. Servant,

Under your Court,  
Albany, Ga.
P.M. R.R. Readgower, Camp,
Buell's Cavalry Battalion,
Cedarville, Ala, May 25, 1864

The authority granted me to raise a Regimental
Cavalry from Infantry soldiers disabled to perform
their duty, under "5th I. C. S. A. Office, Nashville,
Tenn., Dec. 3rd, 1863," having been revoked by "Par. 5, S. A.
No. 47, A. S. S. C. Office, Richmond, Va.," and the
application renewed again to raise a Battalion, dated
"A. S. S. C. Office, Richmond, Va., April 19th, 1864," and
under the new authority I fully authorize Dr. W. L.
Mangun to raise a Company of not less than sixty
private in the Hospitals of Virginia. The requirement
of the authority are that: each Company must have
at least sixty privates, and the papers must contain a
special description of each man transferred from other
companies, and evidence that the transfer is by certifi-
cate of a Medical Board, and he will be governed strictly by
it. As soon as an applicant has been examined and
allowed a certificate, he will be furnished to mount horse
and transportation will be furnished him to the
place he proposes mounting himself, provided it is not
beyond our lines. Medical and all other officers will
restrain Dr. Mangun all practicable assistance. He will re-
port to me his success weekly by letter and report to us
each men as he may have enlisted on the 25th, date,
June unless otherwise ordered.

My dear Mr. Brown,

I now set myself to write you a few lines to let you know that I am well at this time. I received your letter a few days ago, and I was glad to hear from you. Yours was the first and only letter that I have had since I left Georgia. I have had a lonesome time in this country, but I have thought about home a many a time since I left.

I am getting acquainted with some of the young ladies in the county though they are but few. I want you to write to me about the head family and let me know whether Jane Head has got her young one yet. or not. I want to know whether she is married yet or not. I tell me how the Durham family is getting. I have one time more to drink some stew with the short horn family. Give me a full history of the 2 times in general.
Don't write as long a letter as you did before for it tires me to read such long letters. Tell Mr. Bryant to look in the office in Atlanta for I wrote him a letter a few days ago. Tell my people that I am well & doing well.

There is some game in this country. I have killed a deer but have never got a shoot yet. I went when I was in Bibb County & there was a large dog run out ahead of the hounds & I shot him for a deer. About fifty yards running I killed him as dead as thunder. Don't forget to write for I want to hear from you all.

I must quit for I am in a hurry expense my short letter & I will do better next time. Give me a general history of the times & so nothing more. But remains your friend.

Dr:

Your letter of the 28 ultimo asking that Lieutenant

Wm. L. Mangum G.M. may be relieved from the operation of

Gen'l. order No. 1 of the 23d instant from this office, has

been received.

By General order No. 2, herewith, you will see that the

militia officers will not be required at Savannah until General

Mercer shall again summon them. But as the Militia Officers have

been all ordered to report to General Beauregard and General Bea-

uregard so notified, the Governor feels now a delicacy in witholding

any of them, but he will cordially acquiesce in any disposition

of them that the General may make. If General Beauregard

will detail Lieut. Mangum for duty in your hospital, for the time

that his service as a Militia Officer are needed by him under his

call upon the Governor, no objections will be made to it here.

Very Respectfully,

While on a visit, Mrs. Jane Brown, aged nine years, three (3) years, at the full triumph of Faith, when interrogated by her Aunt in the very agonies of death she replied that she felt that she had nothing to do but to die, for she had endeavored to make that preparation while in health that she now felt to be requisite, and added she did not dread death, and after leaving her only daughter 3 months old to the care of her Grandmother & Aunts together with its weeping Father & her little one especially to this Father, with many charges how she wished them raised, she slept in Jesus 20 Minutes of 12 O'clock, the 26th, August 1832. Mrs. Brown's loss will be severely felt by her weeping companion, her pious Call, and many relations, but when we who were present reflect on how she called us to listen to the charming voices of Angels & glorified spirits and I seemed surprised that I could not hear what was so audible to her, we sorrow—not as those who have no hope
