and wounded one of the men
Friday, June 19th,

I slept first night in
my ground hole, although
the sand covered me up
almost, the bugs might
have skated pretty near, it
was rainy and muddy today.

Orders came today that no
one dare go to camp, consequently
we cannot get any victuals,
that's a kind of thin living.

Saturday, June 20th

Last night I stood again.
I stood 3 out of 5 nights
lately we only got one still.

in the evening after nine each.

Wednesday July 1st

It rains all night, every doctor present at night 10 men again had to go on fatigue again.
Thursday, July 2nd.
I would have had to go on fatigue too last night but I had no shoes today. Some of our men had to go on fatigue. It is rainy and sometimes very hot as usual today.

Friday, July 3rd.
Nothing particular today.

Saturday, July 4th.
The memorable 4th was spent very quiet and dry in camp, in the evening our regiment had to go on 3 days picket on the front.
Sunday, July 5th

The day was spent about as usual on picket, it was hot and mosquitoes were plenty. I was the post last night.

Monday, July 6th

Last night I was on rev. detail but it is almost worse there then on post. It's night waking and the rest make up.

Tuesday, July 7th

Last night it was on post again, some boys that got in went to camp, even to Sumney. The stoutest of all has taken sick.
Wednesday, July 8th.

The attack is soon expected, and so we have build bomb proofs, somehow it won't work right with the cold grub we got here, for all the grub we get the cooks have to fetch out at night for in day time it is allowed to snap up here.

Thursday, July 9th.

The attack is expected for certain tomorrow early, to night I came on a different post than before with Sgt. Snyder. All is quiet.
July 16th

This morning about 5 o'clock the signal gun was fired.

The attack from our batteries was made, and upon the rebels guns were partly silenced by our batteries and Monitors. The Infantry moved upon the Folly river towards the shores of Morris Co. and were not perceived till a good many of them were on shore and were preparing for a charge. we could plainly see changing them out.

behind the breastworks.

Soon after we received orders

to leave our picket post

and report at the front, but

it looked like war, all was

hasty and seemed to satisfy

over the result, many may off

certains, the men wore their

walk assisted our infantry to get up

the Bully Trench and had several

pieces along that done good service.

The wounded were brought over, by aid

and nobles lots of prisoners,

Vinos of our by, had to guard the

prisoners to the lower part of the

especially with all this subject

and in the rear had to go on picket.
Saturday July 11th.

In the morning before daylight, we were relieved of picket and sat across the channel to Morris Island where we marched to the last fort that had been captured day before, and stacked our guns in a former rebel camp where some tents were.

Other things had been remaining, which they had to leave back in their base, clothes, knapsacks, etc.
Sunday, July 12th

We are still here on the same place, yesterday afternoon no reason for it.

This afternoon we got some mail, received letters of my parents and others.

Rockefeller, B. Wetzel

V. Pose Master of Fort Royal

J.C.

Monday, July 13th

Still on the same place now and then the rebels annoy us with their shells from Wagner, Gregg, Sumner, Johnson & Co.
Tuesday, July 14, 1864

Today we had to build bomb proof for the shells struck pretty close. Killed and wounded several of the 48th N. Y. that was lying at the side of us, but in the afternoon we had to move about half way back towards the landing again for safety.

Wednesday, July 15, 1864

So is very hot in the sand banks where our regiment is laying now.
Thursday, July 16th

Every morning we had to fall out under arms about an hour before daylight. Tonight we were ordered on fatigue, after we had been standing in the rain for some hours we were ordered back without doing anything.

Friday, July 17th

Tonight we had to go on guard to the front and got an order stating I was on guard from 12 till day without relief. Light, during that time remained
Saturday, July 18th

After daylight came on we made our way to the front, while the rest of the reg. fell back at the first peak of day. The bullets of the sharpshooters whizzed over us. Soon the bombardment commenced, we were about half away between Capt. Wagner's and our batteries. We did not draw back till one of Co. G went to bed. Night at the side of an empty apple meal over our ears,
Charge of 18 July.

It was after dinner when we came to the reg. after we had eaten something we joined the 21st. The afternoon passed and for many it was the last one, when the sun was fast approaching the western horizon, we marched on the battle ground, were formed in the rear of the first battery, and afterwards passed through a fire of grape and canister that baffles the pen to describe, in which many...
Sunday, July 19th.

The result in an engagement last night was, 3 killed, 2 missing and 9 wounded. This afternoon I was on fatigue, and in the evening was sent with others to work on fatigue after the reg'n on picket. I thought I was sick.

Monday, July 20th.
