The ration continues the same. I have again been attacked by the [illegible] and I see but very poor chance to get well of it. At least our rations are not improved yet of eating cats yet.

Bread and water continued.

I have had something sent from an old friend which I am very grateful for. Some of the men continue to starve and eat the cats they can lay their hands upon.

Consequently cats are growing very scarce here.
No movement on rations
