HEAD QUARTERS, MISSOURI STATE MILITIA,

St. Louis, May 29th, 1862.

General Order,

No. 17.

The attention of all Officers of this Command is called to the existing abuse of "transportation passes." They are reminded that transportation is not to be furnished at the public expense, except to persons actually in service and on necessary public duty.

In every case the nature of the service must be stated on the "pass." Passes which are not necessary for the public service, or on which the nature of the service does not appear, will be charged to the officer granting them.

Officers will not be ordered to these Head Quarters, or elsewhere, on business which can be attended to by writing. The Government has been, in some instances, subjected to great and useless expense in the transportation of officers on business that could as well have been transacted by mail. All Commanding Officers are expected to correct this abuse within their Command.

By order of Brigadier General Schofield:

C. W. Marsii,

Assistant Adjutant General.

Major

Sir, your letter enclosing mine tendering my resignation was received some days ago. And I am obliged to you for furnishing me with the form usual in such cases.

Advises from home since I first tendered my resignation have made me not desirous to renew the tender till I can hear again from home or St. Louis; possibly I may conclude not to resign at all; As the other was not acted on I suppose I am in no way bound to renew it.

Respectfully

My dear Wooff,

I have just read your letter. Mason called on me yesterday for what money I had in your possession, and from his previous statement I ventured to let him have it, being responsible to you, according to your requisition. I had only $540.95, which I gave to him, as I acted without anything from you. I wish you to return the $10 or $20. I wish you to draw at pleasure on me for pocket money, as you tell me you suppose that I had $4000 or more subject to your order. I suspect that perhaps I may have omitted some credit to which you are entitled. I therefore give you the following statement. If it is correct, be pleased to correct it and return.

Dear Mrs.

We are in town. Barton's wife has another baby of the miscarriage series. Mr. Gamble returned from Bardwell Tuesday night. Mr. Dizier. Mrs. Julia & Mrs. Moses are down. There is nothing need in the doctor. The aspect of the country is more hopeful. Since is very impressive in Texas, I have never been more confident of success than now. Abolitionism & the leadership are pretty much played out. There's a good time coming, I hope.

Sir,

I am this moment in receipt of your note of 7th inst., as answer to one of 3rd ult., asking a copy of the records of the rolls of the Companies of your Regt., as Embracing the names of men from this (Co.) Circuit. It was at the suggestion of Louis D. Hoptile, Deputys of your Regt., (and Mr. W) that I made the request. I now enclose here-in a slip containing the order of the Capt. Intlg., Provost Marshal, of 9th District of Mo. the 10th paragraph of which is my authority for saying, "I am required to Enroll all of the men of M.S. Why."
The order of Col. Alexander, Prov. Marshal of Mo. alluded to in that paragraph, I have not seen. But of course I am bound to obey the order of my superior officer. In making the request, I had
not certain the accurate idea of giving offence, which I am unfortunately to have done. Of course, I knew the original rolls were acceptable, in the office of Roy... but I supposed the latest revision of these rolls, showing what by which I would have to be governed could not be obtained at that office. This is true that I can obtain the names of many of the men in service in your other Rep... Mr... among these friends here, that this would be to port in a statement of them, or to work great injustice to those, then enrolled, as the enrollment made in that way would unfairly be very unjust.

Of course, I know I have not thought to demand the copies asked for at your honor... and if my language will bear that construction, (I kept no copy) was most unfortunate in the use of language, for certainly nothing was farther from my intentions.

Respectfully yours At yours...

Colonel,

I am directed by the General Commanding to acknowledge the receipt of your letter of Jan. 1st, 1862 touching the conduct of Captain Bartlett and 1st Lt. Hendrick relative to the affair at Centreville and to reply as follows:

If in your own opinion their conduct in that matter was of a nature that cannot be sufficiently punished by any reprimand from yourself as their commanding officer, charges should be preferred against them at once. The General is of the opinion that the Captain should have taken measures before leaving his command to guard against any possible contingency of surprise or capture. If that his conduct is not having been so is highly reprehensible and if brought before a court could but subject the officer to the severest censure and judgment.
He hopes therefore that while you reprimand both the officers severally in this case you will give them distinctly to understand that their future conduct will be closely scrutinized and any shortcomings will be rigidly dealt with.

That for want of room at the ordnance office proper some of the boxes including these boxes of lead and powder were stored and kept in the Guard House, where a great many Soldiers had access to them, and he has reason to believe and does believe, that large quantities of these stores were abstracted and carried away by some of these Soldiers to him unknown.

Mr. en: after some delay your note

enclosing statement of the claim of Thomas Pandier has reached

me in reply there to say,

I have no personal knowledge of this claim: about the time and
near the place mentioned I then major command in a detachment
of the 10th U.S. M's. had a skirmish with some guerrillas
or Confederate troops at the farm of a Mr. Pandier. At this
time we were burning the greater part of our supplies (by order
from the county through which we marched), and it is probable
something may have been taken from Mr. Pandier's. The
commanding officer accompanied the detachment in the field
for that purpose. I had charge of those matters

I do not suppose the guerrillas mentioned were taken, also,

the price charged seems some time too reasonable.

As to the loyalty of Mr. Pandier's then and since I
have no knowledge but my inference from the following circum-
stances — my men were fired on in his yard the 5th
his people had neglected to give us any notice of the presence
of the enemy, we pursued the guerrillas to their camp in the
woods near his house. We had given out (that I have heard) given
any notice of this camp to the U.S. military authorities

There were several scalped at subjeck to this land.
at this time all loyal citizens were expected and required to give immediate notice of such encroachments to the nearest military post.

I have the honor to be,

Most Respectfully,

Yours truly,

Dear Sir,

Enclosed please find the desired receipt signed as you request.

I have been in St Louis since the 20th of November as a Treasurer on the U.S. Court for the Eastern District and arrived at home last night at 8 o'clock. This will account for the delay in answering your letter.

I am gratified in having a knowledge of your Post office address as I have often inquirers of your whereabouts. Should I be in St Charles at any time I will certainly call and see you or write giving a reason for not calling during more than half of 1864 and part of 1865. I suffered very much with camp disease several months of the time in Hospitals at Benton but I am grateful to say that my health is now good.
The members of the 50 of this vicinity have engaged in Business and in Industries and Orders by Excep. Capt. M. Elroy who has closed out his career as a Butcher and Enters into Partnership with a H. F. Doll (doubtful) without even advising his fellow officers. I think it would not of let him any down in our estimation if he had of given us notice of the time the Partnership was to have a Commencement but Enough of this write often and I shall promptly answer all letters coming from a friend. yours Respectfully

Before proceeding to fill up this form, read carefully the notes on the first page, below the endorsement, as also the following paragraphs of "Instructions for making Quarterly Returns of Ordnance and Ordnance Stores," approved by the Secretary of War, February 10, 1863, namely: 1, 4, 5, 6, 9, 10, 15, 16, 17, 18, 19, 20, 25, 26, 27, 34, 35, 36, 39, 40, 42, 47, 48, 49, 50, 52, 53, 54, 62, 63, 63, 63, 63, 70, 71, 72, 74, 75.
2. State the exact name of the fire-arm, as specified in the Classification of Ordnance Stores, Class 6, page 51, "Instructions for making Quarterly Returns," &c., &c., also, whether smooth-bored, or rifled, and the calibre.
3. State the calibre of the cartridge boxes, (whether for .54 or .58 calibre balls.)
4. State kind and calibre of the ball cartridges, whether elongated, or some patent kind. (.574 calibre is used in the .577 and .58 bores.)
5. Make out the "Triplicate" first, and copy the "Duplicate" and "Original" from it. This will give neat and correct copies for the Bureaux at Washington.

*The word "Issued" as used here means the same as the word "Transferred" as used in the Quartermaster's blanks.*

DIRECTIONS FOR TRANSMITTING THIS RETURN.

Send with the "Original for the Treasury Department" one complete set of vouchers as above numbered.
Send with the "Duplicate for the Ordnance Office" such Abstracts as are required by the "Instructions for making Ordnance Returns."
Keep with the "Triplicate to be retained" one complete set of vouchers—exact duplicates of those sent with the "Original."
Mail the "Original," with its vouchers, and the "Duplicate for the Ordnance Office," accompanied by the enclosed printed letter of transmittal, properly filled up, to the Chief of Ordnance, Washington, D. C., in one package, within twenty days after the expiration of the quarter for which the return is made. (See paragraph 1421, General Regulations of the Army.)

All officers stationed east of the Rocky Mountains, who are accountable for Ordnance Stores, whose Returns fail to reach the Ordnance Office within sixty days from the termination of the quarter for which they are due, and who cannot furnish a reasonable excuse for the delay, are now reported to the Adjutant General of the Army, for a stoppage of their pay until the proper Return is made.

Officers stationed west of the Rocky Mountains will be allowed ninety days from the last day of the quarter, before being reported.

If officers have neglected to make Returns for past quarters, correct Returns for each should be made out, before commencing that for the current quarter.

The printed blank forms, enumerated in paragraph 73, "Instructions for making Returns of Ordnance Stores," will be furnished from the Ordnance Office, Washington, D. C., on application by letter.
