Treating patients inside the info. lines 5
miles from Marietta Ga.
7. in camps resting.
8. visited the 53 Tenn regt.
DIED,

MR. WILLIAM FISHER, of the 14th district, died on last Saturday, May 17th, at 8 o’clock p.m.

He had been afflicted for some time with a lung affection, and has been confined to his room for some time, where he endured great suffering, with patience and Christian fortitude.

He was a strict member of the Methodist church, a good neighbor and friend, and an affectionate and devoted husband and father, and his death is a sad and terrible loss to the faithful wife and the two little children who survive him. May their drooped spirits be comforted with the sweet thought of a rest beyond the grave; and may they ever lean upon the strong arm of Him who has promised to be a husband to the widow and father to fatherless.

He was interred in the family burying ground at Chapel Hill, in Marshall county, on Sunday afternoon.
